

# A special Holiday message from...

*Yussuf Goolam, President and CEO*

As we approach the end of another incredible year, I would like to take this opportunity to thank all our clients and vendors and express my sincere gratitude for supporting our continued growth throughout 2023.

This year has been an incredible testament to the power of collaboration. It has been a record year for us to support our clients' projects that also align with our company's purpose to improve the lives of patients. The successes we've achieved together this year represent all the contributions made by our invaluable partners and our dedicated team.

I truly believe that it's not just about achieving targets; it's also about the journey and building meaningful relationships along the way. I am grateful for all the partnerships we have built and the impact we have been able to make together to patients around the world, our communities and the environment.

I'm proud of our team for their relentless efforts and living our core values every day to deliver on our promises and achieve the extraordinary. To recognize their dedication and commitments, what better way to say thank you than to give them something priceless. The gift of time. While we will continue to process your urgent client orders over the holidays, all our team members have been given additional time off over the festive period so they can enjoy it with their families.

I am immensely proud of our team and all they have achieved this year and look forward to seeing the partnerships with our clients grow throughout 2024 and beyond.

On behalf of all of us at RxSource, we wish all our clients, partners, suppliers and everyone we have worked with a happy and safe holiday season! We look forward to partnering with you all in the New Year as we have some big plans for 2024!

**Wishing you a Happy Holiday season  
and a Prosperous New Year!**

*Yussuf Goolam*
